

## Fly the Flag

**Help Support local programs through the *Rotary Club of Chatham Sunrise* by purchasing a flagpole and “Fly the Flag”. Your purchase will not only show that you are a proud Canadian, it will also benefit your community since the funds raised will go into local programs such as literacy, the environment and youth programs.**

Beautify your yard or business with one of our high quality aluminum anodized flagpoles. There are several lengths from which to choose and we can assure you that there will be a style that will fit every application. If you have always wanted to Fly the Flag, but thought that it was too difficult to install, don't worry because we can install it for you. Our experienced installer will visit your location and assist you in deciding on the best location and arrange the installation.

These flagpoles are guaranteed and are sure to be the focal point of your yard or business. Show your community that you are civic minded by purchasing a flagpole from the Rotary Club of Chatham Sunrise and proudly “Fly the Flag”.

Three of the most commonly used flagpoles are the 25' x 2" straight pole or the 25' and 30' tapered poles, but there are many other selections available. All flagpoles come with your choice for the top ornament of a 5" gold ball or a maple leaf, a high quality Canadian Flag and halyard. Options are available such as internal halyard systems and rotating truck.

To order your flagpole or arrange an appointment to discuss your requirements please contact our Rotary Office at **519.354.5172** or email - [info@rotarysunrise.com](mailto:info@rotarysunrise.com)

20' x 2" Pole with 3" gold anodized ball or 3" anodized cast aluminum maple leaf
